

# SMART Online

## Online Safety rules

- S — SAFE. Keep personal details safe. Never share your full name, address, school or phone number.
- M — MEETING. Never agree to meet anyone you've only spoken to online without a trusted adult.
- A — ACCEPTING. Don't accept emails, messages, files or friend requests from people you don't know.
- R — RELIABLE. Not everything online is true. Check information with a trusted source.
- T — TELL. Tell a trusted adult straight away if anything online makes you feel worried, upset or unsure.
