

COMPUTING · K / GRADE 1

Parts of a Computer

Label the parts

Use the word bank

Cut and stick the labels in the right place. Then write what each part is FOR.

[Diagram]

Cut out the labels and stick them in place.

monitor (screen)	keyboard	mouse / trackpad
speakers	webcam	CPU (computer brain)
USB port	power button	

What each part does

Part	What it does
Monitor	Shows what the computer is doing
Keyboard	Type letters and numbers
Mouse	Click, point, and select
Speakers	Play sound
Webcam	Take photos and video calls
CPU	The 'brain' of the computer that does the thinking
