

SCIENCE · KINDERGARTEN / GRADE 1

Parts of a Plant

Label each part using the word bank

Label the plant

Cut out the labels at the bottom of the page and stick them in the right place. Then write one sentence about what each part does.

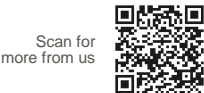

[Diagram]

Cut out the labels and stick them in place.

roots	stem	leaf
flower	seeds	petal

Quick check

1. Which part of the plant takes water from the soil?

2. Which part holds the plant up and carries water to the leaves?
3. Which part uses sunlight to make food for the plant?
4. Which part attracts insects to help with pollination?
