

WET BREAK · Y2-Y6

# Printable Board Games

6 wet-break games. Print, laminate, play.

## Why printable games beat shop-bought

Shop-bought board games for wet break die fast. Pieces get lost. Boxes break. Boards tear. Printed games on laminated card last for years and cost nothing to replace. Six games in this pack cover most preferences — strategy, luck, words, geography. All play in 10-15 minutes.

**Storage and care**

Print on heavy card (or paper, glued to card). Laminate everything — boards, dice templates, instruction cards. Store each game in a clear plastic wallet. Label with game name. Keep all six in one box marked 'Wet Break Games'. The box should live in the wet-break supervisor's accessible space.
