Wet Break Supervisor Briefing

What wet break is

The 3 rules you enforce

First 2 minutes — set the tone

- | | |
|--|---|
| ■ Greet children at the door — by name where you can | ■ Point out the activity options visibly (board games, drawing, books, puzzles) |
| ■ Say what's NOT happening: no running, no shouting, no leaving the room | ■ Sit down somewhere visible — corner of the room, not at a desk hidden behind a screen |

- Scan once — check who's in, who's quiet, who looks like they need a friend
