Holiday Club — 5-Day Plan

A full week's structure

How this works

Each day has a THEME. Children rotate through morning and afternoon sessions. There's a lunch break and a quiet 15-minute reset before pickup. The week builds to a Friday performance / showcase. Designed for groups of 20–40 children with 3–4 staff.

5 days, 5 themes

Monday — Settle Day Get-to-know-you games. Name games. Rules co-created. Quiet creative time PM. Aim: every child knows every staff member's name and one classmate's name.	Tuesday — Mini-Olympics Outdoor (or indoor if wet). Running, throwing, jumping, balance, target games. Teams. Medals. Lots of water and snacks.
Wednesday — Build Day Junk modelling, Lego, den building. Big creative free-time. Best with a theme — 'build a city', 'build a ship'.	Thursday — Arts Day Painting, drawing, collage. Plus a music or dance afternoon. Outputs go up around the room ready for Friday.
Friday — Showcase Day Children prepare and perform. Could be a play, talent show, art exhibition. Parents invited at pickup. Highlight of the week.
