

SCIENCE · PRE-K / KINDERGARTEN

My Five Senses

How we explore the world

The five senses

Sense	Body part	Two things you sense with it
Sight	Eyes	Color, shape
Hearing	Ears	Music, voices
Smell	Nose	Flowers, food
Taste	Tongue	Sweet, salty
Touch	Skin	Soft, hot

Activity

1. Draw something you can SEE in your kitchen.
2. Draw something you can HEAR outside.
3. Draw something you can SMELL on a sunny day.
4. Draw something that tastes SWEET and something that tastes SOUR.
5. Close your eyes. Touch three things and try to guess what they are.
