

OUTDOOR & FOREST SCHOOL · EYFS TO Y3

Outdoor Scavenger Hunts

Six themed sets

How to use

Print the page you want, cut into individual cards (or use as a single sheet). Give to pairs or small groups. Set a 15–20 minute time limit. **GROUND RULE** for all hunts: 'Look but don't pick. We tick the box, draw it on the back, or take a photo if you have a tablet — we don't bring it back unless it's a fallen leaf or a stone.' **DIFFERENTIATION**: Younger children find as many as they can; older children find ALL items and answer the bonus question on the back.
